The image shows a modern desk setup with a black surface. In the foreground, there are two rose gold metallic desk organizers. The one on the left is a tall, cylindrical pen holder containing several pens. The one on the right is a wider, shallow tray holding pens, sticky notes, and a smartphone. To the left of the pen holder is a small potted plant in a wicker basket. To the right of the tray is another small potted plant in a grey pot. In the background, there is a glass jar filled with brown stones or beads. The entire scene is framed by diagonal yellow lines with white dots at the ends, creating a dynamic, geometric effect.

COLORS

The background of the advertisement is a close-up, slightly blurred photograph of a desk. In the center, a clear acrylic desk organizer holds several colorful folders (yellow, blue, purple, and red) and a circular object with a clock face. In the foreground, another clear acrylic holder contains a green and yellow pencil, a black smartphone, and some small decorative items. The entire image is overlaid with several diagonal, semi-transparent blue lines that create a sense of movement and modernity. The text is centered and uses a bold, italicized sans-serif font for the main title and a smaller, italicized sans-serif font for the tagline.

SCHOOL

SUPPLY LINE

Products that help with school or office work

The Norma Premium colored pencils are known for their excellent quality.

It contains a greater amount of pigment compared to regular colored pencils, which results in more vibrant and intense colors, allowing greater versatility increasing your illustrations.

They have a soft and creamy texture that makes it easier to combine colors and create smooth transitions between different tones.

The blending ability is especially useful when creating gradients, shadows and light effects in your artwork.

Secure Envelope

Os Envelopes de Segurança Eco e Coex são ideais para o segmento de transportes de produtos, trazendo mais facilidade e segurança pois são fáceis de manusear.

São resistentes protegendo o seu conteúdo, atendendo a todos os requisitos das empresas responsáveis por entrega de correspondências e encomendas em geral. O envelope possui lacre de segurança inviolável devendo chegar ao destinatário em segurança sem revelar seu conteúdo.

Pode também, substituir as embalagens maiores como caixas de papelão, reduzindo assim, os custos de envio e proporcionando maior segurança e confiabilidade aos produtos transportados.
